Purpose

Mitchell College is dedicated to academic excellence—scholarship which builds upon the basis tenet that Truth and Wisdom and the Abundant Life have their source in the Christian Faith as witnessed to and upheld by the Church which founded this Institution to serve as a vital instrument in the field of Christian Education. Its whole program, curricular and extra-curricular, is consciously and unapologetically committed to the Christian life, in which is fulfilled the Ideal of developing students with integrated, well-rounded personalities.

Mitchell College endeavors to place its educational services within the financial reach of any deserving person who is interested in the benefits of higher education.

Mitchell College purposes to serve its Community by giving leadership, to the fullest extent of its resources and facilities, to the vocational and cultural activities which add worth and dignity to the Community.

HISTORY

Mitchell College was founded in 1856, and thereby enjoys the prestige of being one of North Carolina's oldest junior institutions.

Owned and controlled by Concord Presbytery, which is comprised of 70 churches in Western North Carolina, Mitchell College is regulated by a Board of Trustees elected by the church.

During the past ninety-four years, college officials can point to a rapid growth from an average boarding enrollment of 12 students in 1857 to facilities capable of instructing many times that number.

In the fall of 1852, Concord Presbytery resolved to establish a female seminary in Western North Carolina. This enterprise, appealing strongly to the affection of the parent, soon enlisted in its behalf support from the church, as well as a suitable amount of cash subscriptions toward the ultimate erection of Concord Female Seminary, the first name given to Mitchell College.

Granted a charter in July 1853, the Presbytery arranged for work on the main building to be begun the next year. When nearly completed it was practically destroyed as a result of a severe electrical storm and accompanying winds. Work of restoration was initiated immediately and the building had its formal opening as a private school September 15, 1856.

After the Civil War, the college, failing as a financial enterprise, was bought by R. F. Simonton of Statesville and for the next 23 years was called Simonton Female College.

The college won its first substantial success from 1875 to 1883 under the guidance of Mrs. Elisha Mitchell Grant and her sister, Miss Margaret Elliott Mitchell.

When Mrs. Grant died, Mrs. Fannie Everett Walton assumed the responsibilities of president and served for 11 years. After her retirement in 1896, the Reverend Dr. J. B. Shearer purchased the property and changed the name of the school to Statesville Female College.

When Dr. John A. Scott became president in 1900, Dr. Shearer deeded the property to Concord Presbytery. In 1907, through the generosity of W. F. Hall and other friends, an addition was made to the original building so that today Shearer Music Hall stands as a monument to Dr. J. B. Shearer and its name a reminder of the people's appreciation.

In 1915, that is, in the sixty-first year of the life of the college, Concord Presbytery, urged by the alumnae and approved by the trustees, changed the name of the institution to Mitchell College. The name was given to honor Mrs. Elisha Mitchell Grant and Miss Margaret Elliott Mitchell, daughters of Dr. Elisha Mitchell, scientist, educator, and Christian gentleman.

It was also during the administration of Dr. Scott that a Knabe grand, six upright pianos, a library, society halls, and an auditorium were secured and the college debt was reduced from \$6000 to a nominal sum.

Many of the college's most notable improvements were recorded during the administration of Mrs. W. B. Ramsay, who served 14 years. The enrollment of Mitchell reached the highest attainment in 12 years previous to that time and a campaign for public donations was conducted for campus improvements and a new gymnasium. Mrs. Ramsay retired in 1943.

Under the able leadership of the Rev. Mr. R. S. Arrowood, Mitchell College continued to go forward during 1943-1944. At the end of that time, Mr. Arrowood became Treasurer of Presbyterian Orphans' Home, Barium Springs, North Carolina.

During the administration of Miss Frances Stribling from 1944 to 1947, a college bus and other physical equipment was purchased. Extensive painting in the interior of the main building was completed, the kitchen was remodeled, a lounge for the boys was secured, and funds for renovating the gymnasium were donated. Also, the Board of Trustees was enlarged to include more members from the Statesville community and plans for further development and expansion of the college were made.

Since June 1947 Mitchell College, under the guidance of Mr. John Montgomery, has continued to go forward in an excellent way. Improvements have been made in the buildings and grounds, a new library building has been constructed, the number of students has increased, and the curriculum and general program of the college have been expanded.

LOCATION AND CLIMATE

Located in Statesville, a city of about 20,000 population, Mitchell College is easily accessible from all parts of North Carolina by both train and bus service.

The campus is at the west end of Broad Street, one of the principal streets of the city, and conveniently near the churches, shopping district, post office, and public library. Statesville is 110 miles from Asheville, 43 miles from Charlotte, 50 miles from Winston-Salem, and 27 miles from Salisbury.

Statesville is in the healthful Piedmont section at the foothills of the Blue Ridge Mountains and has a delightfully mild climate throughout the year. The altitude is 960 feet above sea level.

BUILDINGS

The main building is a three-storied structure of stuccoed brick, ornamented by a lofty portico with six massive columns. The first floor contains the laboratories, some of the classrooms, kitchen, dining room, music studios, practice rooms, and the auditorium. The auditorium is an attractive room with a seating capacity of five hundred and is equipped with a pipe organ and a concert grand piano. On the second floor are the parlors, offices, and additional classrooms. Dormitory rooms for girls, the infirmary, and the girls' lounge are on the third floor. Student lounges and dormitory rooms are comfortably furnished.

The gymnasium is located on the north campus. The building is a wooden structure with a regulation basketball floor.

Two houses, adjoining the campus, are used as residences for the President and the Dean of Faculty. Part of the Dean's house serves as the boys' dormitory.

The Boys' Lounge, located between the gymnasium and the main building, was completed in the spring of 1947. Part of the building provides locker-room facilities, and the rest of the space is divided into a lounge room and a study room.

LIBRARY FACILITIES

Directly behind the main building is located the newly-constructed Library which provides ample space for the expansion of the library facilities.

The library contains approximately 8,000 volumes and subscribes to 62 periodicals and 4 newspapers. A number of other periodicals and newspapers are received as gifts. In addition to pamphlets and clippings, there are bound volumes of the following magazines: *Atlantic Monthly*, *Harpers Magazine*, *National Geographic Magazine*, *Readers Digest*, *Time*, and *Nature*.

All Freshmen are given a brief course of instruction in the use of books and libraries.

The college library facilities are supplemented by those in the Statesville Public Library and exchange privileges with libraries outside the city.

The library is administered by a trained librarian and student assistants.

Academic Regulations

Registration

A student will not be permitted to register without a transcript of credits from the school previously attended. All students must be officially registered before entering any classes. This includes both registering for courses and paying the necessary college fees.

No student will be allowed to receive credit for any course taken later than three weeks after the beginning of a semester.

In order to change a course or drop a subject, students must receive permission from the Dean of Faculty.

To be classified as a sophomore, a student must have earned a minimum of 24 semester hours and 24 quality points, exclusive of physical education.

A student must obtain permission from the Dean of Faculty to register for as much as eighteen semester hours of work a week. Twelve hours of work a week is the minimum load for a full-time student.

No class will be offered to fewer than five students.

Attendance

1. Students are allowed one cut for each semester hour of credit in each course. For example, three cuts are allowed for a three-semester hour course.

Each unexcused absence beyond the allotted number of cuts is penalized by a two point reduction from the final semester grade.

2. Three cuts are allowed each semester for Chapel. Unexcused absences beyond the allotted number of cuts will be considered an indication of a serious lack of cooperation on the part of the student and conferences with both student and parents will follow in order to correct whatever difficulties are involved. If an adjustment cannot be made, the student will be asked to withdraw from the institution.
3. Within one week after returning to classes, students must present an excuse for an absence to the Dean of the Faculty.

4. Absences from classes or Chapel immediately before or after any given holiday carry a double penalty.
5. Any student withdrawing from school before the end of a semester must report to the President and Dean of Faculty before leaving. This *must be done* in order for the student to be eligible for an honorable dismissal.

Grades

The grading system is as follows: *A* represents Excellent; *B*, Good; *C* Average; *D*, Passing; *E*, Condition, with the privilege of a re-examination; *F*, Failure, without the privilege of a re-examination; *I*, Incomplete, denoting that the student has not completed the work of the course. *NC* denotes that no credit has been allowed on the course. An incomplete or conditioned grade, unless raised to a passing grade, within six months, becomes a failure without the privilege of a re-examination. After the third week of the semester, a student dropping a course receives either a *WP* (withdrawn passing) or a *WF* (withdrawn failing).

An examination may be taken for the removal of a condition when requested by the student and approved by the instructor. A fee of \$1.00 is charged for every re-examination.

When a re-examination has been taken, no grade higher than *D* can be recorded.

Reports

The year is divided into two semesters. Official reports are sent to the parents or guardians at the end of the semester, but no report is sent at mid-semester unless a student's work is not satisfactory.

Quality Points

To be recommended to higher institutions, students at graduation must have to their credit sixty quality points determined on the following basis:

- For each semester hour of *A* grade—3 quality points
- For each semester hour of *B* grade—2 quality points
- For each semester hour of *C* grade—1 quality point
- For each semester hour of *D* grade—0 quality point

Requirements for Graduation

The Standard College Diploma is offered to students who have earned a minimum of 60 semester hours (excluding physical education) and who have earned a number of quality points equal to (or exceeding) the number of semester hours presented for graduation, that is, the student must have an average of *C*. The courses must be those listed in the Standard College Course on page 27.

The General College Diploma is offered to students who have earned a minimum of 60 semester hours (excluding physical education) and who have earned a number of quality points equal to (or exceeding) the number of semester hours presented for graduation, that is, the student must have an average of C. The courses for the General College Diploma are outlined in the General College Course on page 27.

A certificate is offered to students who have a minimum of thirty semester hours (excluding physical education) and who have earned a number of quality points equal to (or exceeding) the number of semester hours presented for the certificate. This means that the student must have an average of C. The courses must be those listed in the One-Year Intensive Commercial Course on page 28.

A graduation fee of \$10.00 covers the cost of a Diploma or a Certificate. Anyone receiving a Diploma and a Certificate will pay a small additional charge. No diploma, certificate, transcript, or college honors will be given until all accounts with the college have been settled.

A written application for a Diploma or a Certificate must be presented to the President at least one month before the day of graduation.

Honors

College honors are based on quality points and are awarded to the members of the graduating class who have maintained throughout their junior and senior years a ratio of 2.2 quality points for each semester hour earned. To be eligible for college honors, students must also have demonstrated marked ability in leadership.

MUSIC DEPARTMENT

Mr. Shuler, Director

Miss Hartman

Miss Henkel

Miss Hill

Mrs. Shek

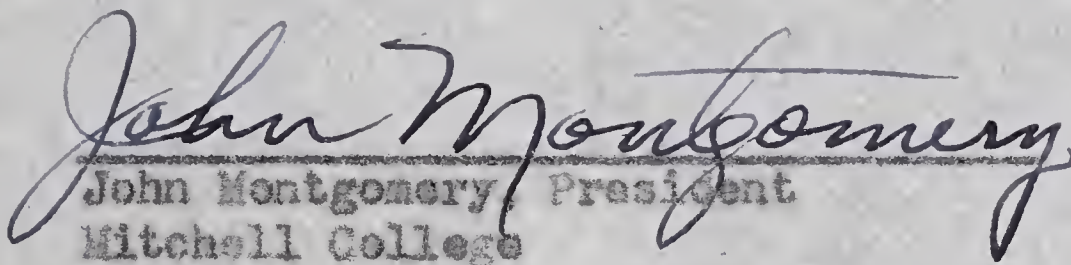

The Department of Music offers courses the aim of which is to lay a foundation of musical knowledge of a three-fold nature: (a) to provide opportunities for the general student body to develop an understanding and

appreciation of music as a part of the cultural foundation of a liberal education; (b) to provide a comprehensive foundation for those wishing to make music their profession, either as performers or teachers; (c) to offer lessons in applied music to special students.

Diploma in Music. The sequence leading to a diploma in music is intended for students who wish to concentrate on music, either for purposes of performance or of private teaching. Diplomas are given in piano, pipe organ, violin, voice, church music and public school music. The minimum requirements for the Diploma in Music are:

- (a) A minimum of 30 semester hours in applied music (including Major and Minor instrument—Violin, Voice, Piano, Pipe Organ and Choir)
- (b) A minimum of 30 hours in the theory of music (including Music Literature, Music History, Beginning and Advanced Theory, Keyboard Harmony, Conducting, and Form and Analysis)
- (c) A minimum of 30 hours in academic subjects (including English grammar, English Literature, Language and Bible)
- (d) A full public recital.

General Information

Equipment. The Department of Music prides itself on the equipment at its disposal. Shearer Auditorium, with a seating capacity of approximately 500, is available for all public programs of the Music Department. In the auditorium is a two-manual Estey organ and a concert grand piano. Excellent teaching studios are maintained and adequate practice rooms, equipped for piano, violin, or voice practice, are available.

Broadcasting Studio. A modern sound-proof studio, equipped with microphones and the necessary controls for broadcasts, is a recent addition to the music department. In the studio a modern recording unit, as well as a wire recorder and record player, is maintained.

Library. A number of reference works and textbooks are at the disposal of the students in the department. Current music periodicals are also available.

Applied Music. "Applied Music" refers to the practical study of piano, pipe organ, violin or voice in private individual lessons. Private lessons in applied music are available to all college students of varying degrees of preparation, from beginners to advanced students.

Accrediting of Applied Music. The accrediting of applied music shall be upon the basis of one semester hour for each half-hour private lesson a week and one hour of practice a day. Two lessons a week and two hours of practice a day earn two semester hours. Additional credit is given at the rate of one semester hour for each additional hour of practice a day.

Examinations. At the end of each semester the student must take an examination in his applied music subject before a faculty board of examiners. Failure to take this test automatically imposes a condition on the following semester's work.

Important Requirement. No credit for applied music will be given if the required number of lessons has not been taken.

Lessons Missed. In applied music, lessons missed by the student because of illness or excused absence will be made up provided that the instructor is notified before the time of the lesson appointment. Lessons missed because of the absence of the instructor will be made up. Lessons falling on college holidays will not be made up.

Student Recitals. Student recitals are given at various intervals during the college year. All students majoring in music are required to take part in these recitals when they are requested to do so.

Attendance at Recitals. Students majoring in music are required to attend all recitals and other musical performances presented on the campus.

Public Appearance. Students must consult the Director of the Music Department before arranging to sing or play in public.

Language. Students majoring in music are advised to take French as their modern language.

Withdrawals. The Department of Music reserves the right to ask any student who fails to make satisfactory progress, either by reason of deficient musical ability or neglect of duty, to withdraw.

Scholarships. A limited number of scholarships are available for deserving students of outstanding ability. The scholarship awards are based upon musicianship, character, and need. A candidate for a scholarship will be required to audition before the music faculty.
